PRIVATE NOTICE AND AFFIDAVIT OF FACTS

Certified Mailing: Legal Record & Opportunity to Rebut

To: Detective Chris Gibson, Officer # 301 & Officer # 298, all unidentified officers involved, Hamilton City Police Department, Butler County Sheriff's Ofiice.

From: Lindsey-Morgan; Taylor, non-domestic, Affiant

Date: 25 June 2025

Subject: Uniform Affidavit of Events – November 7, 2023 Raid

Notice to Agent is Notice to Principal; Notice to Principal is Notice to Agent.

I, Lindsey-Morgan; Taylor, a living, breathing woman and lawful private trustee for the Lindsey Morgan Taylor Trust, hereby solemnly affirm, declare, and attest the following to be true, correct, and complete to the best of my knowledge:

1. That on or about November 7, 2023, armed agents, including Detective Chris Gibson, unlawfully entered private trust property without presenting a verified and lawful warrant, as required by the U.S. Constitution and the Ohio Revised Code.

2. That said, entry was conducted under the color of law and violated the Fourth Amendment protections against unreasonable searches and seizures, as well as Article I, Section 14 of the Ohio Constitution.

3. That no probable cause was independently verified by affidavit before the warrant's execution, nor was the warrant properly filed with the Clerk of Court before the raid, thereby voiding its validity under **Crim.R. 41(C)(1)** and **Franks v. Delaware, 438 U.S. 154 (1978)**.

4. That any evidence allegedly obtained as a result of that unlawful entry is inadmissible as "**fruit of the poisonous tree**" under the **exclusionary rule**

established in **Wong Sun v. United States, 371 U.S. 471 (1963)**.

5. That the seizure, inventory, or removal of property from the premises absent proper judicial oversight constitutes theft, conversion, and deprivation of rights under **Title 18 U.S.C. §§ 241, 242**, and **Title 42 U.S.C. § 1983**.

6. That as a private American National and mother to the beneficiary affected by the subsequent criminal allegations, I reserve all rights under the **Americans with Disabilities Act, 42 U.S.C. § 12203**, to be free from retaliation for asserting civil rights during interactions with state actors.

7. That repeated failures by agents and departments to respond to lawful correspondence, honor private trust status, and cease trespass on private land posted with no-trespass and foreign law notices, are noted on the public record and have been preserved for federal filing.

Said conduct resulted in grave violations of the United States Constitution, codified in the United States Code.

- - Fourth Amendment – Unlawful search and seizure
- - Fifth Amendment – Compelled self-incrimination and deprivation of liberty without due process
- - Fourteenth Amendment – Equal protection and procedural due process violations
- - 42 U.S.C. § 1983 – Deprivation of rights under color of law
- - 42 U.S.C. § 12203 – Retaliation against individual asserting rights under the ADA
- - 18 U.S.C. § 2441 – War crimes and grave breaches under Common Article 3 of the Geneva Conventions
- - 18 U.S.C. § 241 – Conspiracy against rights
- - 18 U.S.C. § 242 – Deprivation of rights under color of law

This affidavit and its accompanying legal addendum are being served via certified mail to create an official record. You are granted ten (10) calendar days from the date of receipt to rebut this affidavit via affidavit of equal standing. Failure to rebut constitutes legal admission by acquiescence and agreement to all statements contained herein.

Furthermore, any attempt to retaliate, surveil, intimidate, or interfere shall be

construed as a direct violation of the Americans with Disabilities Act (42 U.S.C. § 12203) and will be treated as a separate actionable offense.

Notice of Liability and Demand

Wherefore, I pray:

- That you immediately **cease and desist** all further communications, trespass, or attempts to enforce any allegations tied to the raid dated November 7, 2023, or the fabricated evidence therefrom.

- That you provide a full accounting, certified inventory, and signed affidavit as to your role and authority during said incident, including the origin, content, and signatories of the alleged warrant.

- That all involved parties take notice: **failure to rebut this affidavit point-by-point within 10 days** shall constitute tacit agreement, establishing liability under estoppel by acquiescence.

Affidavit of Lindsey-Morgan; Taylor, non-domestic

I, Lindsey-Morgan; Taylor, a living woman, competent to testify to the facts herein, do solemnly affirm under penalty of perjury that the following is true and correct to the best of my knowledge:

1. On the morning of November 7, 2023, I was present at my private dwelling located at 5830 Reigart Road, Fairfield Township, Ohio.
2. At approximately 7 am, I awoke to banging on my door, screams of POLICE.
3. I wrapped a blanket around my naked body, ran to open the door.
4. When they could see me coming through the window of the door, 3 armed plain clothes masked men busted it in.
5. With guns held to my head, they shouted "Who else is in the house?" repeatedly.
6. The entry team was led by Detective Chris Gibson, hereafter referred to as Officer #1.
7. Officer #1 was accompanied by three unidentified plainclothes masked agents, hereafter referred to as Officer #2, Officer #3, and Officer #4.
8. The officers did not provide advance notice or make any prior lawful contact with me before entering the premises.
9. The officers forcibly entered the property.
10. No warrant was presented to me at the time of entry.
11. I was not asked for consent or presented with proper credentials of law enforcement before the officers entered my home.
12. The officers entered with weapons visibly drawn or in tactical posture.
13. I was forced out of my front door in nothing but a blanket, covered in urine from my body's reaction to the door being busted open.
14. Armed officers entered the room of my then 13-year-old son and told him to get out of his home.
15. I was detained in my driveway by uniformed sheriff's deputies
16. Hereafter, known as Deputy #1 and Deputy #2,
17. I observed Deputy #1 and Deputy #2 stationed outside or near the perimeter.
18. When asked Deputy 1 for a warrant, he responded, "I will get it when they're done".
19. Officers 1, 2, and 3 were trashing my home while my son and I watched helplessly.
20. Deputy #1 asked for my name, to which I responded, "Do I have a right to remain silent?"
21. Officer #4 then aggressively stated to me, "Look, we aren't here for you, but if you don't give him (deputy #1) your name and social security number, I'm going to arrest you and take you to jail right now".
22. Against my will, under force and threat of loss of freedom, and with unwarranted criminal claims and charges, I complied.
23. Officer #4 got in his vehicle and left.

24. The officers proceeded to search and disturb the private areas of my home.
25. One of the masked men denied me a beverage and my cigarettes, saying I would get it when they felt like it.
26. Deputy #2 asked if my boyfriend was the father of my son.
27. Demonstrating they didn't know my boyfriend was white as my son is biracial.
28. This was the first mention of my "boyfriend".
29. Not at any time was my "boyfriend" referred to by name.
30. After approximately 30-40 minutes of searching my home, Chris Gibson then came to identify himself.
31. Only then, after they violated my rights, was I read my Miranda rights.
32. Chris Gibson asked questions about my "boyfriend," never referring to him by name.
33. Chris Gibson then went back to my home.
34. Chris Gibson answered my phone, which I had been denied access to.
35. Officers carried unknown property from my home.
36. Before entering his vehicle to leave, Chris Gibson handed me two pieces of paper and said, "Tell your boyfriend to call me if he doesn't want to get 20 years".
37. No arrests were made.
38. No one presented physical evidence of what they allegedly found.
39. One paper labeled warrant and the other inventory.
40. Immediately upon reviewing the "warrant," I noticed several flaws discrediting the validity of this document.
41. The search caused disorder and destruction of my property.
42. I was not informed of any charges or accusations against me.
43. I was not allowed to contact legal counsel before or during the incident.
44. My child was present and witnessed the event.
45. The conduct of the officers caused psychological trauma to me and my son.
46. I contacted the Butler County Sheriff's Office within days of the incident.
47. The Sheriff's Office confirmed that there was no incident report, only an inventory list of items seized.
